Be ready for "Back to School." The list of supplies necessary for schools will be available at the Main Store, Autoport/Mini-Mart and Hario Homestore. School supplies and school fashions are arriving daily.

Japan's typhoon season runs through October. NEX Typhoon Supply Centers will offer everything you'll need to prepare for the storm. Please use the NEX storm preparation checklist and typhoon-tracking chart to follow the movement of storms in the Far East area.

The Navy Exchange Autoport has a full range of tires available to meet your automotive needs. Check the wear on your tires to ensure your safety and those that ride with you in summer. The price of a tire is much less than the damage or injury that can be caused by an unexpected blowout. If you need assistance, our Autoport staff can help you.

### NEX "Keep It New" Program

There are various KIN plans for items that qualify for extended product warranties. Each plan provides additional coverage, usually 1-3 years beyond the expiration of the manufacturer's warranty. Complete information on each plan is provided in the individual brochures that are available at registers. Some covered items include audio/video products, computer accessories, small appliances, exercise equipment, watches and fine jewelry purchased from the Navy Exchange. The "Keep It New" plan is offered at the time of the original purchase but can be purchased up to 30 days after the initial purchase. This is an inexpensive and easy way to protect your purchases. Please ask an NEX associate for more details, they'll be happy to assist you.

Visit the Hario Home Store; it has undergone a complete renovation.

Meeting Your Needs at Home and at Sea
